1. This Singles Tournament is open to all USBC certified bowlers for the 2024-2025 season.
2. Entrants must use their highest 2023-2024 bowl.com average. If an entrant has no bowl.com average, they must use their highest current average of 21 games or more as of the date of the tournament. If bowlers do not have a 2023-2024 certified average or a current league sheet with 21 games or more to verify their average, they will use the scratch average of 220 for both men and women.
3. It will be the bowler's responsibility to determine that the submitted average is correct. If a recheck of averages discloses a bowler has a higher average than submitted, that bowler's scores will be DISQUALIFIED. Corrections in averages can be made up to the completion of the first game of the series. Bowlers must report any current average that is 10 pins or more over the previous average for the 2023-2024 season. Any current average of 10 pins or more over the yearbook will be used. **Sport condition averages will be adjusted to USBC adjustment specifications.**
4. Handicap will be 80% from 220. Bowlers having an average over 220 will not receive minus pins handicap. The maximum handicap will be 67 pins per game.
5. Entries must be submitted together for singles wishing to bowl together.
6. An entrant arriving late will be permitted to bowl beginning with the frame the pair is in at the time the entrant arrives. No make-up frames will be allowed.
7. Bowlers must check in 30 minutes prior to the Tournament starting time.
8. All reservations must be paid in full at the time of entry. The entry form must be filled out completely with the bowler's name, address, phone number, certification number, and average. Entries will be accepted up to the day of the Tournament or until max entries are reached. **NO CHECKS WILL BE ACCEPTED.**
9. Prize money will be given out immediately after verification of averages and computation of scores. Prize monies for all ties, however, will be divided equally between entrants. Prize monies will be distributed at SUPER BOWL.
10. Any bowler not complying with all the rules will be disqualified. Any rules not covered herein will be governed by USBC rules. Any interpretation of the rules concerning the conduct of this Tournament shall be made by the Tournament Director.
11. Bowlers with a current PBA card or PWBA card will not be allowed to enter.
12. Any entrant in this Tournament who has earned a prize of \$300.00 or more in value in any classification in the 12 months prior to this Tournament, must report his/her actual scores, position, and amount won.
13. The Prize Fund will be returned 100%.
14. The Tournament Directors reserve the right to refuse any entrant.

**NO BOWLING FEES WILL BE RETURNED.**
